Comments

The local missionary director will develop the ministries of Child Evangelism Fellowship® within the Greater Pee Dee area. This person will be a team player, self-motivated, able to plan, analyze, motivate people and demonstrate organizational skills. The local director is ultimately a developer of volunteers and other leaders and is the face of the local chapter.

This large chapter includes the city of Myrtle Beach and a three county area – Horry, Georgetown, and Marion counties. There are thousands of children in this area who need to hear the good news of Jesus. A local committee is in place and ministry is currently underway, with just one paid staff member. The need is great, with outstanding potential for pioneering and growth!
