## RESOURCE PLANNING GUIDE

Local Church Friends;

In these unprecedented times, we may be separated as a precautionary role against the spread of the coronavirus, but we are not hindered. The LORD GOD has given wisdom to HIS Church and works of ministry, like *CEF*<sup>®</sup>, to have courage and innovation to continue HIS kingdom come and HIS will to be done.

The staff of *Child Evangelism Fellowship*<sup>®</sup> of South Carolina have been working hard to provide additional support to churches during this difficult time. Now, your church has additional opportunities to reach children and families with the Gospel through a variety of resources, training and services provided by your local *CEF* office.

The outlines provided in this resource planning guide can be customized to meet your church's particular needs based upon participation and availability of your local *CEF* chapter office.

We are hopeful, through prayer, that your church may fulfill the calling from the LORD JESUS to "make disciples" even in difficult circumstances. We count it an honor to serve you and your congregation, the Bride of CHRIST.

On behalf of the staff of *CEF* of South Carolina,

State Director  
*Child Evangelism Fellowship of SC, Inc.*

**Child Evangelism Fellowship** is a Bible-centered organization composed of born-again believers whose purpose is to evangelize boys and girls with the Gospel of the Lord Jesus Christ and to establish (disciple) them in the Word of God and in a local church for Christian living.

We have eleven local chapter offices across the state of South Carolina, supporting every county and community. Each chapter of *CEF* is working to support local churches in their efforts to share the Gospel of Jesus with the children and families of their communities. *CEF* is a grassroots ministry. We exist through the prayerful interest and involvement of people within each county's local *CEF* chapter. Discuss options to support the ongoing work of *CEF* with your local chapter representative. Location information can be found on our website at [cef-sc.org/locations](http://cef-sc.org/locations).
